III. PERPETUAL RIGHTS AND AUTHORITY

The Founder retains absolute and unalienable authority over the ecosystem:

- **Perpetual Intellectual Ownership:** Absolute claim across all jurisdictions and frameworks.
- **Exclusive Design Authority:** Unilateral power to modify, extend, or evolve the system architecture.
- **Institutional Authorization:** Exclusive right to authorize institutional or national adoption.
- **Methodological Control:** Exclusive rights to define weighting, evidence standards, and analytical updates.
- **Market Creation:** Exclusive rights to establish derivative markets, futures, or clearing systems based on MEX.

** No external institution, government, corporation, or entity may claim, alter, or replicate MEX without explicit authorization from the Founder.*

IV. SOVEREIGN EXTENSION CLAUSE

All future technologies, analytical engines, indices, or market systems that derive from, extend, interoperate with, depend architecturally upon, or are materially influenced by MEX methodology are automatically and irrevocably included under this ownership charter. This includes future systems not yet conceived, modeled, or architected.

V. INSTITUTIONAL AFFILIATION

This charter is formally affiliated with the following custodians of MEX intellectual sovereignty:

- **House of Mason**
- **Mason Mint & Clearing House**
- **Bureau of Computum Analysis**
- **House of Mason Publishing**

VI. OFFICIAL AUTHORIZATION STATEMENT

“The Mason Exchange™ is hereby established as a sovereign intellectual-property economic system, owned in full, governed in full, and extended in full by Hon. Tyree J. Mason I.”

All derivative claims, external assertions, and secondary frameworks are subordinate to this declaration.
